

LAGOS

LOCKET TEMPLATES

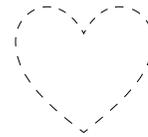

INSTRUCTIONS

1. Place finger in groove of locket closure and gently push to open.
2. Print locket template (for best results, use cardstock paper).
3. Carefully cut desired template.
4. Lay the template over the photo and lightly trace with a pencil.
5. Cut the shape of the photo to match locket.
6. Insert photo in locket recess and secure.
7. Gently close locket.
