HOW-TO FIND YOUR SMART CAVIAR BRACELET SIZE

CONFIRM PRINT SCALING 100%

0 1 in

Check your print settings. Ensure the scaling is set to 100% or 'NONE'.

Measure the bar to the left. If this is not 1 inch - adjust your print settings and reprint this page.

1. Cut out the ruler on the left of this page or use a flexible measuring tape to find your bracelet size.

2. Take the measurement around your wrist bone. This is your wrist size.

3. Compare your measurement to the size charts below. The Standard Size is the size that the Smart Caviar bracelets are available without adjusting.
